COMPETITOR REVIEW

“Competitor” means a business that produces, manufactures, or sells the same or substantially similar product or provides the same services, and competes for the same customers or clients as an applicant for the START-UP NY Program.

“Community” means the census tract or tracts containing an approved Tax-Free NY area and the census tracts immediately contiguous to such census tract or tracts.

As the sponsoring university or college, we have provided information to the New York State Department of Labor, Division of Research and Statistics (DOL) to conduct a review of the North American Industrial Classification System (NAICS) codes of businesses in the community to determine if any Competitor in the community with the same NAICS code(s) was identified; and

As the sponsoring university or college, we affirm that a posting was published in a local daily newspaper for no less than five (5) consecutive days and such posting resulted in no businesses identifying themselves as competitors in the community; and that such posting included a detailed description of the applicant’s proposed predominant activity and the products or services in the TFA and also included appropriate contact information for the university or college representative responsible for receiving START-UP NY business applications.

As the sponsoring university or college, we affirm that we reviewed the application submitted by the business applicant and that the business applicant did not identify any competitors in the community on their business application.

CHECK BELOW ONLY IN THE EVENT THAT THESE EFFORTS IDENTIFY POTENTIAL COMPETITORS

As the sponsoring university or college, we request that the Commissioner conduct a review and make a final determination as to whether the applicant has a competitor in the community.
